House of Barlow

Dublin, Ohio

Design influencer Gigi Melton meticulously crafted each room in her modern Tudor. It's the wine lounge — anchored by a sophisticated layout of Vino Pins — that wows her guests most often, however.

Must be the doorbell for Champagne.

W

SERIES

Designed as the first label-forward wine rack in 2001, the W Series maintains its status as the most desired metal storage option for the building profession. Its mix of color, height, depth, and mounting options (drywall, floating, wood – to name a few) elevate wine rooms of all sizes around the globe.

Washington Street

Pittsburgh, PA

Steel wine racks tucked into two custom cabinets elevate a formal dining room. The upscale display features a unique lighting kit and textured wood backing for the ultimate one-of-a-kind wine storage nook.

Matte Black finish

Design: McQueen Building Co.

W SERIES

Stave Cellar

Sonoma, CA

The pinnacle of distinctive design, this traditional wine-country cellar showcases oak staves on the ceiling, hand-crafted diamond bins for large formats, and metal display racking to show off classic vintages. Remarkable.

Wine Vault

Dublin, Ohio

Epic is an oft overused term but it feels right when describing this impeccably crafted room. With clever twists to the bottle orientation, textured walls, a beautiful tasting table, and more; it's understandable why so many glass viewing areas are incorporated.

500+ bottles
Brushed Nickel finish

Sweet Basil

Vail, CO

For the better part of four decades, this Vail Village institution has proved that apres ski mixes with haute dining. An inspiring remodel puts the wine list at the forefront for guests, pressing an impressive collection against glass and ensuring the restaurant remains visually relevant to keep up with a cutting-edge menu.

VINO

SERIES

With the ultimate peg system, the VINO Series continues moving wine storage forward with its remarkable, high-end appeal. Our Pins and Rails create innovative displays in an abstract or linear fashion, and utilize an industry-best 6 finish options to give design pros endless choices to produce beautiful custom results.

VINO SERIES

Deloraine Avenue

Toronto, ON

A traditional home received quite the modern transformation by a notable designer. This statement wall — storing a dozen of vintage bottles — is a highlight, drawing the eye to a most chic staircase upgrade.

HOME

REMODEL

2020

2021

2022

The world's most innovative products

combine with insanely talented design firms to create both The New American Home and The New American Remodel showcases each year.

We've been invited to the past six of these feature homes.

For a reason.

All photos by Jeffrey Davis

The New American Home 2022

Winter Park, FL

This sophisticated space takes the under-the-stairs concept to new heights — while proving our original W Series wine rack remains uniquely relevant in modern wine cellar design. Using an upscale two-tone palate and refined Luxe finish, the wine racking follows the contour of the staircase, behind a glass wall, and provides a delightful view heading upstairs.
